Synchro Tryout Information Form

The CBS Skating Club is pleased to announce open tryouts for our 2018-2019 synchro teams! Tryouts will be held at the Robert French Memorial Arena on Saturday April 14, 2018. All are welcome! **Tryout fees are \$10 per skater per session and must be paid in advance online at www.CBSskatingclub.com.**

There will be different tryout time slots throughout the day (*see next page*). To help us put you in the most appropriate tryout session(s), **please complete this form and return it to CBS.Team.Genesis@gmail.com as soon as possible**. If you are out of town on that date, please note this on your form, we will let you know what to submit on a video for assessment.

As in prior years – if you skated on a team last year, you are requested to attend the session for that team, whether you intend to skate on that team again or not. This helps the coaches make comparisons to the new skaters!

Name _____	Birth MONTH (Spelled) _____	Birth YEAR _____
Email _____	Phone _____	
Highest tests passed:	CANSKATE STAGE _____	
FREESKATE TEST _____	SKILLS TEST _____	
INTERPRETIVE TEST _____	DANCE TEST _____	
Number of years skating synchro _____	Highest level team skated _____	

Tell us what team(s) you are interested in: (*see the age requirements on the next page*)

(if you don't select a team, don't worry, you will still be assigned to a tryout session based on your experience)

If you aren't selected for the above team(s), do you want to be considered for a team at another level? What level(s)?

Basically, we're asking you to be honest about your goals and expectations! If you indicate you are only willing to skate at one certain level, and you don't make that team, or we don't have enough to field that level team, then we know not to offer you a spot on another team. The more information we have about what you want, the more we can do to help you be happy!

If your skill level and age is appropriate, are you interested in representing more than one team? This may mean skating up a level for a challenge, or skating down a level in order to pass along your knowledge and leadership. Please let us know what you may be interested in. *(If you are selected for two teams and subsequently decide to skate only one team, the decision on which team to "keep" will be at the discretion of the coach for age requirement and skill level reasons.)*

If you were part of Team Genesis last year, you have earned the right to be on the Team again this year, provided you attend tryouts and accept your position! (subject to SC age requirements). You will be offered the HIGHEST level team (of the teams that we are able to field) for which your skill and age are appropriate. We do NOT hold back skaters in order to stack teams. However we may offer skaters the opportunity to double team on a higher level team as a stretch challenge in order to develop their skills. Double teaming gives you two years of experience in one year, making the higher team a possibility for you a year or two earlier than it normally would. We will clearly explain this again in the offer emails, should you be accepted to double team.

we can't wait to see you there!
