

Fundraising Opportunities

Hello,

The CBS Skating Club is busy preparing for our 42nd Annual Ice Show scheduled to be held in the Conception Bay South Arena on Saturday, March 31st, 2018. This year's theme is "Come Fly with Us". Our club has celebrated many achievements this year and can't wait to showcase them to our community!

The show highlights all skaters from our very youngest to those in our STAR and competitive streams. With the inclusion of upwards of 250 skaters from St. John's to CBS to Carbonear, the club plans to highlight the accomplishments of every one of our skaters as much as possible. With a seating capacity of approximately 1000 seats, the Conception Bay South Arena proves to be the perfect location to hold this event.

We are also very excited to have 2 guest skaters performing in our show this year, *Elladj Balde* and *Liam Firus*.

Elladj's natural showmanship always brings the crowd to their feet, and his love for skating for the audience is evident. At this year's 2018 Canadian Championships, Elladj stole the hearts of Canadians with his show stopping final performance at Canadians that earned him a standing ovation and being called "Masterful" by the CBC. Elladj won the junior silver medal at the 2007 Canadian Championships and won the junior title at the 2008 Canadian Championships. During the 2008-09 season, he won a pair of medals on the ISU Junior Grand Prix series. In recent years, Elladj won the 2015 Nebelhorn Trophy, an ISU Challenger Series event.

Liam is the 2016 Triglav Trophy champion and a three-time Canadian national medalist (silver in 2016, bronze in 2014-15). He also won two bronze medals on the ISU Junior Grand Prix series in his skating career. Liam also won the bronze medal at the 2017 CS Warsaw Cup in Poland.

There are many opportunities for business's in surrounding communities to help support this exciting event. Please consider supporting the CBS Skating Club by sponsoring this event. Any donation is kindly accepted. With your donation, your name (company name) will be highlighted in the events brochure.

With your help, we can further instill the love of skating and importance of fun, fitness and friendship within the members of CBS Skating Club!

Thank you very much for your consideration. We hope to hear from you soon!

If you have questions or would like to discuss this further, I would be happy to have a conversation with you.

Sincerely,
